

# 2015 Christmas Cash

Promotion

The 2015 Holiday Season is upon us and Engage Global wants to put some extra cash in your wallets just in time for Christmas. Here is how it works:

1. This promotion totals up the PGV, Personal Group Volume (volume from your personally sponsored people), new enrollees and existing members, during the month of November.
2. The following bonuses will be paid out based on your PGV total for November.
  - a. Generate 500 PGV or greater and earn a bonus of \$250 on top of your regular commissions.
  - b. Generate 1000 PGV or greater and earn a bonus of \$750 on top of your regular commissions.
  - c. Generate 1500 PGV or greater and earn a bonus of \$1500 on top of your regular commissions.
3. These bonuses do not compound meaning you can only earn one bonus based on the total enrollment volume amount you achieve.
4. The promotion period is November 1st through November 30th 2015.
5. Bonuses will be paid on December 15th.
6. Earn volume from the following packs only, autoship volume does not count:
